HOW TO REGISTER AN ACCOUNT

Journal of Law and Emerging Technologies
FIRST STEP:
To register with the journal, click the register link on the upper right corner.
SECOND STEP: This will open the Registration Form for you to complete with all required information.

Given Name is your First Name that will appear on the account and your articles.

Family Name is your Last Name that will appear on the account and your articles.

Affiliation is your current profession (ex: Assistant Professor at the Faculty of Law, The British University in Egypt).

Country is your country of residence.

Make sure you type your email correctly, or you will have to re-register again.

Make sure that the username is written in English lowercase letters without spacing, dots or any special characters and don't use full email addresses in this field. Only letters, numbers, underscores, and hyphens are allowed.

Password must consist of 12 lowercase and uppercase letters and symbolic signs for strong passwords.

You have to check the box of the privacy statement to be able to register, however, the box of receiving notifications is optional.

Checking this field will register you as a Reviewer and unchecking it will automatically register you as a Reader and an Author. Then click on REGISTER to proceed. Only click on LOGIN if you have a registered account and you want to login with it.
BE AWARE OF THE FOLLOWING:

All fields with an asterisk (First Name, Last Name, Affiliation, Country, Email, Username, Password, Repeat Password) are mandatory.

You will not be able to self-register for an Editorial Role (e.g., Editor, Section Editor, Copyeditor, Layout Editor, Proofreader, or Journal Manager). If you need to be enrolled at that level, contact a current Journal Manager or Site Administrator.
THIRD STEP:

A link will be sent to the email you registered

1- Login to your email and check the message, which you can find in the list of Spam or Junk.

2- Just use the link mentioned in the message and your account in the journal will be successfully activated
